ORDER

The Chief Engineer (Transmission North) has reported vide letter read (1) above that the Tempo Traveller attached to Line Maintenance Section, Angamaly is too old and requires frequent repair works for maintaining the vehicle in running condition. It is also reported that the vehicle has run 5,00,000km and the date of registration is 22/05/1997.

The jurisdiction of Line Maintenance Section, Angamaly covers hilly area and dense forest from Idamalayar to Ayyampuzha and more than 260 km of transmission lines in Thrissur and Ernakulam Districts. Therefore a vehicle in good condition is essential to arrange daily routine and breakdown works. Further the Line Maintenance Section, Angamaly is having two generating feeders, 9 Nos. 110 kV feeders, 2 Nos. 66kV feeders and 6 nos. tap lines (both 110kV & 66kV) under their jurisdiction. The fitness of the vehicle is very important considering the safety point of view as most of the road accesses are coup roads and the areas are under threats of Elephants and other wild animals.

The Chief Engineer (Transmission North) has requested sanction to hire a vehicle (Tempo Traveller) for the use of Line Maintenance Section, Angamaly under Transmission Circle, Thrissur for a period of one year and to survey report and dispose the old vehicle at the earliest.

The matter was placed before Full Time Directors vide note read (2) above. Having considered the matter, the Full Time Directors in the meeting held on 25.04.2019, resolved to accord sanction for hiring a vehicle (Tempo Traveller) with driver for the use of Line Maintenance Section, Angamaly with kilometer ceiling of 2000 km per month, on contract basis.
