### ORDER

As per clause 5 of the B.O. read 1<sup>st</sup> above, sanction was accorded to fix the maximum age of the vehicles hired for official use as 7 Years.

Vide letter referred above, the Chief Engineer (Distribution Central), Ernakulam reported that based on the persistent requests from the various vehicle contractors under Electrical Circle, Perumbavoor, the Deputy Chief Engineer, Electrical Circle, Perumbavoor had requested to enhance the age limit of hired vehicles used under various Offices of KSEB Ltd to 10 years from the existing 7 years. It is also reported that since the age of the vehicles are limited to 7 years, there is difficulty in getting competitive tenders. Also in some Electrical Sections, due to the non-availability of vehicles below 7 years, they were forced to give exemption in the age of vehicles upto 10 years, resulting in unwanted disputes and litigations with other contractors.

Considering the above facts, Chief Engineer (DC), Ernakulam has requested necessary action for enhancing the age of hired vehicles to 10 years from the existing 7 years, if the Officer in charge of the vehicle is convinced of the functionality of the hired vehicle.

The matter was placed before the Full Time Directors vide note read as 3<sup>rd</sup> paper above.

Having considered the matter in detail, the Full Time Directors in the meeting held on 25/04/2019, resolved to accord sanction for enhancing the age of vehicles hired for official purpose in KSEBL to 10 years from the existing 7 years as in B.O.(FTM) No. 3062/2010 (AEIV/DPC/Veh/39/10) dated 25/11/2010.

Orders are issued accordingly.
