## ORDER

E-Tender for the work “Hot dip galvanization of 7060 MT electric line materials such as Cross arms, Clamps, Stay rods etc. and Lattice tower parts, fabricated at the Mechanical Facilities of KSEB Ltd” having **estimated PAC ₹ 14 crore** (including 18% GST) was invited by the Chief Engineer (Civil Construction –South) vide e-Tender dated 06.02.2019 by giving wide publicity as per norms. Only one bid was received during the bid submission period and in the extension period and hence it was decided to cancel the bid and retender the work.

Accordingly, Re-e-Tender read 1 above was invited by giving wide publicity as per norms. M/s. TJSV Steel Fabrication and Galvanising (India) Ltd., Udumalpet, Tirupur District, Tamil Nadu is the lone bidder quoted for the work. The pre-qualification committee held on 30.04.2019 decided to pre-qualify the firm and to open the price bid of the above bidder. Accordingly, the price bid of the bidder opened on 07.05.2019 and M/s. TJSV Steel Fabrication and Galvanizing (India) Ltd. has quoted an amount of Rs 16,31,55,000/-.

The bidder was requested to reduce the quoted rate since there is huge variation in rate while comparing with the contract rate with them. But M/s. TJSV Steel Fabrication and Galvanizing (India) Ltd. has informed that there is no room for reducing the quoted price considering the upcoming increase in loading and unloading charges and considering the soaring costs in the present market.

The Financial Adviser vide note read as 3<sup>rd</sup> paper above remarked that as the quoted rate is too high, the firm may be asked to reduce rate to reasonable level, being the existing contractor. Accordingly, the firm was once again requested by the Chief Engineer to offer a

reasonable quote and M/s TJSV revised the offer price of line materials is as follows:

MF1 Angamaly	- Rs 22,500/MT
CMF Pallom	- Rs 22,700/MT
MF2 Kolathara	- Rs 22,600/MT

The revised quoted amount comes to Rs 15,96,25,000/-

The Chief Engineer (Civil Construction) South vide note read as 3<sup>rd</sup> paper above has reported that the galvanization of materials is to be continued without break to achieve the targets and for this the new contract is to be executed without delay and has recommended to award the work to the lone bidder M/s. TJSV Steel Fabrication and Galvanizing (India)Ltd at their reduced quoted rates.

The matter was discussed in detail as per the note dtd.20.06.2019 in the meeting of the Full Time Directors held on 21.06.2019 and the Full Time Directors resolved to place the matter before the Board of Directors.

Accordingly, the matter was placed before the Board of Directors vide note read as 4<sup>th</sup> paper above and the Board of Directors in its 47<sup>th</sup> meeting held on 29.06.2019(Agenda No.22-06/2019) discussed the matter in detail and RESOLVED to accord sanction for awarding the work "Hot dip galvanization of 7060 MT electric line materials such as Cross arms, Clamps, Stay rods etc. and Lattice tower parts, fabricated at the Mechanical Facilities of KSEB Ltd "to the lone bidder M/s. TJSV Steel Fabrication and Galvanizing (India)Ltd at their reduced quoted amount of Rs.15,96,25,000/-(Rupees Fifteen Crore Ninety Six Lakh Twenty Five Thousand only). GST would be paid extra at applicable rates.

Orders are issued accordingly. The Chief Engineer (Civil Construction-South) shall take further necessary action in this regard.

By Order of the Director Board
