**ORDER**

M/s.Inox Wind Infrastructure Services Ltd (IWISL) has intimated vide letter read as (2) above that they intend to set up a 200 MW wind power project in phases. In the very first phase they propose to put up a 100 MW project which could be connected to Kanjikkode, Kozhinjampara or Walayar grid substations of KSEBL. They have also informed that if they receive a concurrence on power purchase commitment from KSEBL in time, the 100 MW project can be set up during 2020-2021 itself.

The project will have a potential to generate around 260 Million units per annum at a PLF of 30%. The project would fall in zone 4 classification of Honorable KSERC's Renewable Energy Regulations, 2015 and the tariff would be very attractive. They have requested for signing an advance PPA/MOU between IWISL and KSEBL.

The Core Committee vide paper read as (3) above has decided that KSEBL may intimate M/s.Inox Wind Infrastructure Services Ltd, and such other prospective investors who approach KSEBL that we may consider their proposal subject to the ceiling rate of Rs.2.8091 per kWh, the discovered price by SECI, subject to approval of KSERC in view of new benchmark price discovered through competitive bidding by SECI, at which KSEBL is contracting power.

The Deputy Chief Engineer (Commercial & Planning) with full powers of Chief Engineer, as per note read as 4<sup>th</sup> paper above, has placed the matter before the Full Time Directors. Considering the matter in detail, the Full Time Directors in its meeting held on 19.07.2019 resolved to accord sanction to intimate M/s.Inox Wind Infrastructure Services Ltd that KSEB Ltd can procure power from the proposed Wind Project subject to the ceiling tariff of Rs.2.8091 per kWh, being the

market discovered price by SECI based on which KSEB Ltd is contracting power, subject to approval of KSERC.

Orders are issued accordingly

By Order of the Full Time Directors,
