In the proposal to set up 50 MW Grid Interactive floating Solar PV plant (10 MW in first phase) in the available land / waterbody at West Kallada Grama Panchayat at Kollam district by M/s.NHPC , the land / waterbody is to be transferred through a Lease Deed to KSEBL by M/s.WKNCEPPL, a company formed by the land owners.

The draft MoU for execution with NHPC was approved as per order read as first paper above. But the MoU was not executed as the Lease Deed for transfer of waterbody/land at West Kallada from M/s. WKNCEPPL to KSEBL was not executed due to certain reasons.The final draft Lease Deed for execution by Chief Engineer(RE&ES) with M/s. WKNCEPPL was approved as per order read as second paper above towards transfer of land at West Kallada by M/s. WKNCEPPL to KSEBL on lease, for setting up 10 MW floating solar plant by NHPC. The document was signed by the Lessor(WKNCEPPL) and Lessee (KSEBL) on 19.8.2019. In the meanwhile NHPC forwarded a final draft MoU suggesting certain modifications.
