ABSTRACT

Construction of 110 kV Mannam – Cherai DC Transmission line and 110 kV Substation Cherai – Good Service Entry for Engineers and Staff – Sanctioned - orders issued.

Corporate Office(SBU-T)

B.O.(FTD)No.748/2019/ D(T,SO&S)/T6/KLSY/Mannam-Cherai/2019-20 dated Thiruvananthapuram **14.10.2019**

- Read : 1. Note No.CE(TS)/EEI/AEEII/Mannam Cherai/2019-20/1116 dtd 3.8.2019 of the Chief Engineer (Transmission South)
2. Note No. D(T,SO&S)/T6/KLSY/Mannam-Cherai/2019-20/56 dated 3.10.19 of the Director(T,SO&S) to the Full Time Directors (Agenda : 10/10/2019)

ORDER

The Chief Engineer (Transmission South), as per note read as 1st paper above has forwarded the list of officers and staff of KSEBL involved in the work of construction of 7.6Km, 110 kV Mannam – Cherai DC Transmission line and 110 kV Substation Cherai, which was commissioned during June 2019 and has recommended to award Good Service Entry to the officers and staff who worked hard to accomplish the task within a time frame. The details of the project and the problems the staff had to resolve were elaborated in the note. It was pointed out that through effective liaison with local people, representatives of local bodies, Police personnel etc., the KSEBL staff could tackle protest from public, environmentalists & media. Staff from nearby substations were also deputed for the work.

The Chief Engineer (Transmission South) pointed out that even though Administrative Sanction was accorded during 1999 and survey work started in 2000, work could not be proceeded due to various cases in the Court and public protests and work could be commenced only during May 2018. KSEBL could make a remarkable achievement by energization of the project within short period of 14 months from date of commencement of work, as all the Engineers and staff worked hard with single goal as a team, keeping aside their personal commitments, to achieve the target. The Chief Engineer (Transmission South) suggested the name of Sri. George V. James (Retired), who had led the team with his extended enthusiasm, along with the list of officers and staff of KSEBL, involved in the subject project and has recommended to award Good Service Entry.

The Director(T,SO&S) as per note read 2nd paper above suggested that as a token of appreciation, Good Service Entry may be given to the personnel recommended by the Chief Engineer (Transmission South), considering the sincere efforts and meritorious service rendered by the officers and staff for KSEBL.

Having considered the above, Full Time Directors, in the meeting held on 9.10.2019

RESOLVED to award Good Service Entry to the following officers considering the dedication and sincerity shown in the successful completion of the work of Construction of 110 kV Mannam – Cherai DC Transmission line and 110 kV Substation Cherai :
