ORDER

The Chief Engineer, Transmission System Operation as per letters read as 2nd & 3rd above has forwarded a proposal for the purchase of a new Departmental Vehicle (TATA SUMO or equivalent) or change in the category of the contract vehicle now being used as per sanction accorded vide B.O read as 1st above for the Communication Subdivision, Edappon.

Under the Communication Sub Division, Edappon there are 2 Communication Sections namely Moozhiyar and Edappon. There is no departmental vehicle for Communication Subdivision, Edappon and the vehicle presently hired is a Car which is used by Assistant Executive Engineer as well as both the Section Offices. The Chief Engineer, Transmission System Operation has reported that the ground clearance of cars are very less and during journey to these stations the underbody and bumper of the car hit the road and cause damage to the car as the road to the stations are rough, bumpy and uneven. These frequent damages are causing severe loss to the contactors as the repair cost is high. Also Car doesn't have enough room space to accommodate all the delicate testing equipments and staff together. Further during the journey, staff are encountering wild elephant menace which endangers the safety of staff.

Hence it has been requested to accord sanction to allocate a new department vehicle (TATA SUMO or equivalent) or a change in the category of the contract vehicle for the Communication Sub Division, Edappon.

The matter was placed before Full Time Directors as per note read as 4th above. Having considered the matter in detail, the Full Time Directors in the meeting held on 23.10.2019, Resolved to accord sanction for hiring a covered jeep for the communication Sub Division, Edappon.

Orders are issued accordingly.

By Order of the Full Time Directors,
