 4. Note No.DGC/AEEVI/AKYM/2014 dtd 30.10.2019 of the Director (Generation-Civil) (Agenda Item No.6/11/19)

ORDER

Revised Administrative Sanction has been accorded as per BO read 1 above for the implementation of Anakkayam SHEP for an amount of Rs.139.62Crore (One Hundred and Thirty-Nine Crore Sixty-Two Lakh Only) including GST and directed the Chief Engineer (Civil I&CC) to float a Request For Proposal for the execution of the project with all the requirements in terms of technical specification, guarantee etc on turnkey basis.

As per Office Order read as 2nd above, a team was constituted for scrutiny and vetting of the draft tender document prepared by the Chief Engineer(Civil -I&CC) for selection of suitable contractor for the implementation of Anakkayam SHEP-on turn key basis.

Now the Chief Engineer (Civil -I&CC) as per note read as 3rd above has reported that the tender notice published for the removal of tree growth from the forest land diverted for the project was cancelled during November 2018 and requested sanction for reviving the e-tender process for the same by KSEBL. It is also reported that shortlisting and selection of a suitable contractor for the removal of tree growth viz. softwood and hardwood is a time consuming exercise and early decision in the matter would enable KSEBL to complete the task of removal of tree growth during the process of finalisation of award of contract for the implementation of the project, which would save a lot of time.

The matter was placed before the Full Time Directors as per note read as 4th above. Having considered the matter in detail, the Full Time Directors in the meeting held on 02.11.2019 resolved to accord sanction to initiate e-tender process for removal of tree growth from the forest land diverted for Anakkayam SHEP by KSEBL subject to the condition that Work Order shall be issued only after taking further approval from the Full Time Directors .

Orders are issued accordingly.

By Order of the Full Time Directors
