ORDER

Sanction was accorded as per B.O read as 1st above for replacing the existing CCTV cameras installed at Vdyuthi Bhavanam, Thiruvananthapuram with latest technology cameras involving a financial commitment of ₹30 lakh.

The Chief Engineer (Civil Construction- South) as per note read as 2nd paper above has reported that e-tenders were invited by the Executive Engineer, Civil Division, Thiruvananthapuram, for the work, on 17.06.2019 as per the technical specifications furnished by the Chief Engineer (IT&CR) and two bids were received within the extended period of submission of tender. The technical and financial evaluation of the bids is carried out as per the conditions stipulated in the tender documents and the bids opened on 27.07.2019. Thereafter based on the report of the Chief Engineer (IT&CR) and decision of technical evaluation committee, both the bidders viz,M/s Business Intelligence Group, Varkkisons building, High way Junction, Angamaly and M/s United Computech Systems India Pvt Ltd,PF Road, Kaloor, Cochin were qualified for financial evaluation and financial bids were opened on 05.10.2019.The net amount including GST@18% quoted by the lowest bidder, M/s Business Intelligence Group, Varkkisons building, High way Junction, Angamaly for the work under various heads of the BoQ viz,PART A (Supply installation testing and maintenance of IP based Surveillance system with three years warranty), PART-B (AMC Charges for two years after warranty period) & PART-C (Buy back amount of old CCTV system) is ₹42,28,866/-. The net amount including GST@18% quoted by the other bidder for the work is ₹45,84,870.88/-. On negotiation, the lowest bidder reduced the quoted amount to ₹42,07,690/-.

It is also pointed out that the AMC amount for two years after the warranty period was not included while the proposal was taken up with KSEBL for sanction. The estimated cost of ₹30 lakh towards the installation of Surveillance system alone was included in the proposal based on which sanction was issued by KSEBL. The quoted amount by the lowest

bidder towards this item (PART-A of BoQ) is ₹29,27,979.60/- which is within the sanctioned amount. In order to get continued service support from the original manufacturers, AMC work for two years after the warranty period was also included in the scope of work in the tender for which the lowest bidder has quoted an amount of ₹12,91,510/-. Buy back amount of old CCTV system offered by the lowest bidder is ₹11,800. Since the chances of getting a better rate seems remote, the Chief Engineer (Civil Construction- South) has requested sanction to award the work to the lowest bidder M/s Business Intelligence Group, Varkkisons building, Angamaly-683572 at their negotiated quoted amount of ₹42,07,690/-including GST @18% and AMC charges for two years after the warranty period of three years.

Having considered the matter, as per note read as 3rd paper above, the Full Time Directors of KSEBL, in the meeting held on 02.11.2019, Resolved to accord sanction to award the work of Supply, installation, testing, commissioning and maintenance of IP (Internet Protocol) based Video Surveillance System in Vydyuthi Bhavanam, Thiruvananthapuram to the lowest bidder M/s Business Intelligence Group, Varkkisons building, High way Junction, Angamaly-683572 at their negotiated quoted amount of ₹42,07,690/- (Rupees Forty two lakh seven thousand six hundred and ninety only) inclusive of GST @18% and AMC charges for two years after the warranty period of three years.

Orders are issued accordingly.
