ORDER

As per order read as 1st above the Line Maintenance Section (LMS), Vadakara started functioning w.e.f. 01.06.2018. As per the proceedings read as 2nd above the vehicle (1990 make Mahindra diesel jeep) under Transmission Construction Sub Division (TCSD) Vadakara was shifted to LMS, Vadakara. The Chief Engineer (Transmission North) has reported that the vehicle which was shifted from TCSD, Vadakara is not having sufficient capacity to carry men & tools through rough road in hilly terrain for carrying out the maintenance and break down works of EHT lines and hence a new vehicle like Bolero camper gold with 4 wheel drive is required. Since no vehicle available at TCSD, Vadakara, it was also reported that a vehicle is urgently required for the use at TCSD, Vadakara.

In this regard the Chief Engineer (Transmission North) as per letters read as 3rd & 4th above had requested to provide a new vehicle for LMS, Vadakara and to hire a vehicle for TCSD, Vadakara.

The detailed note elaborating the works entrusted and the need and necessity of a vehicle at LMS Vadakara & TCSD Vadakara was placed before Full Time Directors as per note read as 5th above. In the note, the Director (T,SO&S) had recommended for hiring a vehicle (SUV based pick up truck) for the use of LMS Vadakara and for transferring the old vehicle in LMS Vadakara to TCSD, Vadakara.

Having considered the matter in detail, the Full Time Directors in the meeting held on 26.12.2019,

Resolved to accord sanction for the following:-

- 1) For hiring a vehicle (SUV based pick up truck) for the use of Line Maintenance Section Vadakara.
- 2) For transferring the old vehicle at Line Maintenance Section Vadakara to Transmission Construction Sub Division Vadakara.

Orders are issued accordingly.

By Order of the Full Time Directors,
