ORDER

The Chairman, KSE Board has suggested in the meeting held on 01-10-2012, that a speedy and effective recovery remittance system should be introduced to transfer the amount recovered from the monthly salary of the employees, to the Bank Account of the payee directly on the same day of disbursing salary or the date prescribed by the Board for such remittance. This will help to avoid unnecessary delay in crediting the amount to the respective Bank Accounts and undue charges on account of clearing the cheque.

The Chief Engineer (HRM) has requested necessary sanction for introducing the Online System for recovery remittance in the Office of the Chief Engineer (HRM), after collecting the required details from the payee concerned, in the prescribed proforma.

Having considered the request, sanction is accorded for introducing the Online System for recovery remittance.
