ORDER

KSERC had published regulation, read as 1st paper above, for grid connected solar power plants of capacity ranging from 1kW to 1MW. A circular in malayalam read as 2nd paper above, has been issued by the Director (Renewable Energy & planning) in this regard to give guidelines for the field officers of KSEBL and consumers.

The Chief Engineer(Renewable Energy and Energy Savings) in the note read as 6th paper above, reported that KSERC have made some modifications in the above regulation through orders and amendment referred above. In order to make the field officers and consumers aware of these modifications a revised circular is necessary. Hence, a revised circular in malayalam has been prepared by incorporating the modifications ordered by KSERC.

Having considered the note read as 6th paper above, Board resolved to accord sanction to revise the prevailing circular incorporating the modifications made by KSERC. Also, the Secretary(Administration) is authorised to issue the revised circular
