Sub:- Imposing restriction in Power supply to all LT.II, LT.IV, LT.VI [except LT.VI (D)] and LT.VII categories to the tune of 20% including licensees – Procedure for implementation – Regarding -

Ref:- 1. Order dated 06.10.2008 of Kerala State Electricity Regulatory Commission.
2. B.O. (FM) No.2470/08 (KSEB/TRAC/LT restriction) dated 07.10.2008

In order to tide over the critical power situation in Kerala, the Kerala State Electricity Regulatory Commission has accorded sanction for imposing power restriction to all the LT consumers in the State vide the order dated 06.10.2008. The Board has accorded sanction to implement the order of the Kerala State Electricity Regulatory Commission with effect from 15.10.2008. Accordingly the Board issued the following guidelines for implementation of power restriction to LT consumers.

1. a) Power restriction shall be introduced to LT Domestic consumers. The monthly consumption under LT Domestic category shall be restricted to 200 units. Any consumer under domestic category who consume more than 200 units/month shall be charged at the actual cost of additional power purchased on a monthly basis, as fixed by the Commission.
1. b) Power restriction shall be imposed to all LT.II, LT.IV, LT.VI [except LT.VI (D)] and LT.VII categories to the tune of 20%.

The twelve months period from 01.04.2007 to 31.03.2008 (excluding months of nil consumption) shall be taken as the base period.

2. The quota shall be fixed as 80% of the average monthly consumption of the previous year 2007-08.
3. In the case of new consumers, the average consumption shall be 50 units per kW per month and the quota shall be worked out accordingly.
4. Consumption over and above the quota fixed shall be charged at the actual cost of additional purchase on a monthly basis as fixed by the Commission.
5. No fuel surcharge is applicable for the consumption above the quota fixed and consumption in excess of 200 units per month in the case of domestic consumers.
6. If a consumer has different points of supply under the same management, which are governed by separate service connection agreement, monthly quota shall be fixed for each supply point separately. Clubbing of quota of the different supply points shall not be permitted.

7. If the quota of energy allotted for a particular month is not utilized in that month, carry over of the unused quota of energy shall not be permitted.
8. Temporary connection for illumination shall not be permitted during the power restriction period.
9. The Assistant Engineer of Electrical Section is authorized to fix the quota to all LT II, LT.IV, LT.VI [except LT VI (D)] and LT.VII categories of consumers and the quota shall be verified by the Assistant Executive Engineer of the subdivision.
10. The Executive Engineers of the respective divisions are authorized to address disputes, if any, regarding fixation of quota.
11. Notice to this effect shall be communicated to all consumers.
