

KERALA STATE ELECTRICITY BOARD

NOTICE

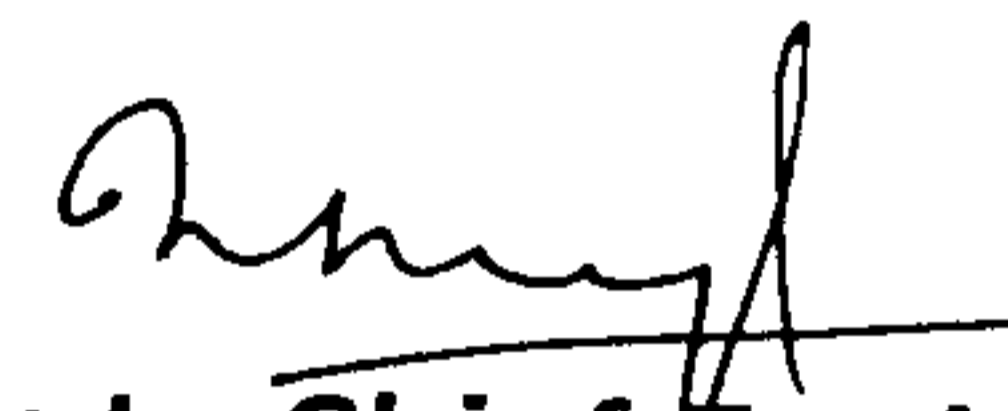

No. TCK/64/DB III/Adv/11-12/998 dt. 29.10.2011

This is published as per clause 164 of Indian Electricity Act 2003 for the information of public.

In connection with construction of 66 kV line for the proposed 66 kV substation at Thripunithura through areas of Nadumel Thekkumbhagam Group Village, Thripunithura in Kanayannoor Taluk in Ernakulam District, officers or staff of KSE Board will enter the areas in Survey No.767/6 upto 680/1 to the western side of railway track between Vakkachan Gate and Koparambu gate of Nadumel Thekkumbhagam Group Village, Thripunithura in Kanayannoor Taluk in Ernakulam district for preliminary survey of the line. It is hereby informed that making obstructions in carrying out the duties by official team of KSEB is against law.
