ABSTRACT

Request for attaching TMR Division, Thirumala to Electrical Circle, Thiruvananthapuram-Sanctioned-Orders issued.

CORPORATE OFFICE (SBU-D)

B.O(FTD)No.1805 /2018(D(D&IT)/D5/TMR/2018-19/0001)Dated,Thiruvananthapuram 26.09.2018

Read:

1. Letter No. CE(DS)/GB-4/3209/2018-19/1138 dated 06.08.2018 of the Chief Engineer, Distribution (South)
2. Note No.D(D&IT)/D5/TMR/2018-19/0001 dated 07.09.2018 of the Director(Distribution & IT) to the Full Time Directors(Agenda Item No.26/9)

ORDER

The Chief Engineer(Distribution-South) as per letter read as 1st paper above requested to examine the feasibility of attaching TMR Division, Thirumala to Electrical Circle, Thiruvananthapuram, Power House, under the below circumstances.

- i. TMR Division, Thirumala is located in the heart of Thiruvananthapuram Corporation area, near to Electrical Circle, Thiruvananthapuram. However, TMR Division, Thirumala is now attached to Electrical Circle, Kattakkada, which is about 14 Km away from Kattakkada Circle.
- ii. Many difficulties are being experienced daily, related to the routine matters of TMR Division, as its ARU is at Kattakkada. Huge traveling expenses are being incurred, besides the unnecessary wastage of time and manpower, for the day to day activities.
- iii. Consumers are also facing difficulties as the ARU is at Kattakkada. This prevents from providing better services to the Consumers. Contractors, Suppliers, HT and EHT Consumers have also experienced difficulties in reaching the Circle Office at Kattakkada for the day to day affairs.

It was also pointed out that TMR Division, Thirumala was an ARU up to 1984 and after that, it was an independent Unit coming under the ARU, Electrical Division, Thiruvananthapuram up to early nineties. Later, it was attached to Electrical Circle, Kattakkada along with Nedumangad and Neyyattinkara Electrical Divisions during the formation of the new Circle with the Headquarters at Kattakkada. TMR Division, Thirumala is also coming under the direct control and supervision of the Chief Engineer, Distribution (South) and Chief Engineer (SCM).

The Chief Engineer, Distribution (South) reported that, much difficulties are being faced at present to fulfill the day to day activities of TMR Division, Thirumala, as the ARU and other Offices in the hierarchy are in different directions. More than 30 Km journey is now required to submit an official document from TMR Division, Thirumala to the O/o the Chief Engineer, Distribution(South) routed through the ARU.

The Chief Engineer, Distribution (South) pointed out that considerable savings on account of money, time and manpower can be made, if the administrative control of TMR Division, Thirumala is shifted to the O/o the Deputy Chief Engineer, Electrical Circle, Thiruvananthapuram, which is only 7 Km away from Thirumala. Under these circumstances, the Chief Engineer, Distribution(South) requested to examine the feasibility of attaching TMR Division, Thirumala to Electrical Circle, Thiruvananthapuram, Power House.

The matter was submitted before the Full Time Directors as per note read as 2nd paper above. Having examined the note and after detailed deliberations, the Full Time Directors in the meeting held on 18.09.2018 resolved to accord sanction for attaching TMR Division, Thirumala to Electrical Circle, Thiruvananthapuram considering the request of the Chief Engineer, Distribution (South).

Orders are issued accordingly.

By Order of the Full Time Directors
