

KERALA STATE ELECTRICITY BOARD

Abstract

Setting up of Research & Innovation unit in KSEB - Reconstitution of members - Sanctioned- Orders issued.

CORPORATE OFFICE (CORPORATE PLANNING)

B.O. (FM) No. 1190/2008 (CP/RES/R&I unit /08-09/26) Tvp dated: 12.05.2008

Read:-i. Note No.CM/101/Research unit/2008 dated 4.3.2008 of the Chairman
ii. Note No.CP/ RES/ R&I unit /08-09/19 dated 29.04.2008 of the Chief Engineer (Corporate Planning)

ORDER

KSEB is lacking a suitable set up to evaluate technical developments and appraise their applicability to installations in the Board. Therefore it is proposed to set up a research and innovation unit in the Board.

Having considered the recommendation of the Chief Engineer (Corporate Planning) in his note read as 2nd paper above, the Board hereby accords sanction to form a Research & Innovation Unit in KSEB with the following 14 members. The Executive Engineer (Research) will be the ex-officio Convener of the Committee.

1. Chief Engineer (Corporate Planning), Chairman, R&I Unit
2. Sri.C.Radhakrishna Pillai, Deputy Chief Engineer (Planning & Research)
3. Sri.J.Aswinikumar, Deputy Chief Engineer (Transmission-South)
4. Sri.Cherian Varghese, Deputy Chief Engineer, Electrical Circle, Kottarakara
5. Sri.George.V.James, Executive Engineer, Generation Division, Edamalayar
6. Sri.S.R.Anand, Executive Engineer, LD II, System Operation, Kalamassery
7. Sri.Sanal Kumar.K., Executive Engineer, Regional Stores, Kundara
8. Sri.B.Pradeep, Executive Engineer (Corporate Planning)
9. Sri.M. Shajahan, Executive Engineer, FEMU, O/o the Chief Engineer (IPDS)
10. Sri.B.V.Mohana Kumar, Executive Engineer, TA to Member (Distribution)
11. Sri.E.Mohammed, Assistant Executive Engineer (Load Flow Studies)
12. Sri.James Wilson, Assistant Executive Engineer, Civil Construction-South
13. Sri.Manoj.B.Nair, Assistant Engineer, O/o the Member (Distribution)
14. Executive Engineer (Research), Ex-officio Convener

The functions of the wing are as follows:

1. Examine research proposals forwarded by the employees of the Board and recommend suitable proposals to the Full Board for funding.
2. Identify and appraise innovations in different areas and recommend their adoption in Board's procurement and works.
3. Examine innovative ideas proposed by Board staff and outsiders to improve Board's functioning and to recommend adoption and rewarding of persons who forward the innovations.
4. Publish an online newsletter to be posted on the Board's Website regarding recent technical developments and decisions taken by the Board.
