ORDER

The District Collector, Kottayam, the Chairperson of the Green Channel Committee and the General Manager, District Industries Centre, Kottayam had brought to notice of the Deputy Chief Engineer, Electrical Circle, Kottayam, the problems faced by the Small Scale Industrial units requiring electric connection. In the light of the Terms and Conditions of Supply 2005, the field officers are reluctant to give Out of Turn Priorities to Small Scale Industrial units registered under normal category and to execute Minimum Guarantee agreement for line extension works.

The Government of Kerala vide G.O(MS)No. 34/06/PD Thiruvananthapuram dated 16-12-2006 have given direction to the Kerala State Electricity Regulatory Commission on policy matters as per section 108 of Electricity Act, 2003.

Having considered the above, Board has decided to accord sanction to continue implementation of all the Board orders granting separate priority to industrial service connection and industrial line extension under minimum guarantee scheme.
