ORDER

The Chief Engineer (Transmission South), as per the note read as 3rd above, informed that tender cum auction was conducted for the sale of 72 No. of trees in the compound of 66 kV Substation, Cherthala for facilitating upgradation of the Substation to 110 kV (Transgrid downstream work).

Tender cum auction was conducted thrice for the sale of trees, but nobody participated, presumably due to high assessed value and EMD amount. Hence, the work was re-tendered again after reducing the EMD amount to Rs.10,000/- to ensure participation of bidders. Since no tender forms were sold in this tender also, auction was conducted in the substation compound itself for participation of the local people also.

Four persons participated in the auction and Sri. Minas H, Ice Villa Agencies, AMCW-4/528B, Sea View Ward, Alappuzha offered the highest amount of Rs.70,000/- and the auction was temporarily confirmed in his favour at his offered rate, which is only 20.36% of the assessed amount of Rs.3,43,848/-.

In view of the urgency in making the site ready for the commencement of construction activities for the upgradation of substation, the Chief Engineer (Transmission South) requested sanction for the confirmation of auction to the highest auctioneer.

The matter was placed before the Full Time Directors as per note read as 4th above.

Having considered the matter in detail, the Full Time Directors, in the meeting held on 06.02.2023, resolved to accord sanction for the confirmation of auction in favour of Sr.Minas H, Ice Villa Agencies, AMCW-4/928B, Sea View Ward, Alappuzha at his offered

rate of Rs.70,000/-, which is only 20.36% of the assessed amount of Rs.3,43,848/-, for the sale of 72 No. of trees in the compound of 66 kV Substation, Cherthala under Transmission Circle, Alappuzha for facilitating the upgradation of the substation to 110 kV.

Orders are issued accordingly.
