14. B.O. (FTD) No.413/2023(DIRDIT/AE5/2023/LOAD REGULARIZATION) dated 24.08.2023.
15. Note No.DIRDIT/AE5/2023/LOAD REGULARIZATION(5) dated 20.01.2024 of the Director (Distribution,IT &SCM) to the Full Time Directors (Agenda No.03-03/2024).

ORDER

KSEBL, as a part of Ease of Doing Business reforms had opened the facility for revising connected load for all LT consumers based on self declaration as per B.O. read as 14th above, wherein the LT consumers under all categories were given the opportunity to regularise their connected load from 15.09.2023 to 31.12.2023.

However as per Orumanet report only a limited number of consumers applied for connected load revision during the period. As One time settlement scheme (OTS) was

also on vogue during the period, the field staff were occupied with works related to OTS and hence sufficient monitoring and publicity of works related to the voluntary disclosure scheme at field level was not fully effective.

The Director (Distribution,SCM&Safety) as per note read as 15th above recommended that the Voluntary disclosure scheme period shall be extended till March 31st 2024 as it would be highly beneficial for KSEBL technically and financially in meeting the demand of the consumers, if the major percent of consumers disclose their actual connected load.

Having considered the matter in detail, the Full Time Directors resolved to accord sanction to :

1. Extend the facility for revising connected load for all LT consumers based on self declaration announced as per B.O. read as 14th above till 31st March 2024.
2. Authorize Chief Engineer (IT, CR & CAPs) to reopen the online facility through wss.kseb.in for the voluntary disclosure scheme for connected load.
3. Authorize PRO, KSEBL to give wide publicity for the extension of the above Scheme.

Orders are issued accordingly.

**By Order of the
Full Time Directors**

LEKHA G

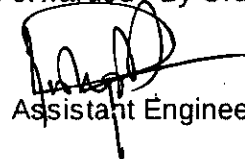

Company Secretary
