### ORDER

The Chief Engineer (Transmission South), as per note read as 1<sup>st</sup> above, reported that tender cum auction had been conducted for the sale of 40 Nos. of trees in the compound of 220kV Substation, Edappon under Transmission Circle, Alappuzha in connection with the work "extending 220 kV double bus and construction of 2 Nos. of 220kV feeder bays to tie with the proposed 220 kV Substation, Patharamthitta".

The tender cum auction was conducted three times due to poor participation of bidders in the first two tenders. In the third re-tender, two bidders participated and Sri. Joseph Daniel, Vettukalayil, Jomi Bhavanam, Paranthal P.O, Panthalam offered the highest rate of Rs.19,800/- + GST, which is only 30.05% of the assessed amount of Rs.65,894/-.

In view of the fact that the valuation of these trees was done by the Forest Department without considering the charges for cutting, uprooting, transportation, taxes etc. and as the chances of getting better offers are too remote if the work is retendered, the Chief Engineer (Transmission South) requested sanction for the confirmation of auction to the highest auctioneer at his offered rate of Rs.19,800/-.

The matter was placed before the Full Time Directors as per the note read as 2<sup>nd</sup> above.

Having considered the matter in detail, the Full Time Directors, in the meeting held on 31.01.2023.

Resolved to accord sanction for the confirmation of auction in favour of Sri. Joseph Daniel, Vettukalayil, Jomi Bhavanam, Paranthal P.O, Panthalam at his offered rate of Rs.19,800/- without GST (Rupees Nineteen Thousand Eight Hundred only), which is 69.95% below the assessed value of Rs.65,894/-, for the sale of 40 Nos. of trees in the compound of 220 kV Substation, Edappon under Transmission Circle, Alappuzha.

Further resolved to submit a proposal regarding revision of delegation in such cases.

Orders are issued accordingly.
