### ORDER

The Implementation strategy for TransGrid 2.0 projects was approved by KSEBL as per B.O. (DB) No.2358/2015 (D(T&SO)/T3/NRTDT-Implementation strategy/16-17) dated 11.08.2016. As per this order, sanction was accorded to invite Expression of Interest (EOI) for empanelment of contractors for executing the TransGrid 2.0 projects. A Bid Evaluation & Grievance Redressal Committee (BE&GR Committee) was constituted for evaluating the EoIs as per B.O. dated 19.10.2016.

Based on the sanction accorded as per B.O. (DB) No.1103/2017 (D(T&SO)/PSE/TransGrid(N)/EOI Lines/17-18) dated 27.04.2017, global EoIs were invited to empanel reputed EPC Contractors, Transmission System Developers and Manufactures/ Vendors for the construction of both Air Insulated and Gas Insulated EHV substations under TransGrid 2.0 and five firms were empanelled as per B.O. read as 2<sup>nd</sup> above.

The sanction was accorded by KSEBL as per the B.O. read as 1<sup>st</sup> above for continuous empanelment of contractors by collecting the requisite fee for processing and evaluating the EOI once in every six months. Subsequently, after inviting EOI, another five firms were empanelled vide B.O. (DB) No.194/2019 (D(T&SO)/T6/TransGrid/BE&GR/18-19) dated 02.03.2019.

As per the B.O. read as 2<sup>nd</sup> above, the empanelment of EPC contractors for Substation projects under TransGrid 2.0 will be for a period of five years or till the completion of TransGrid 2.0 projects, whichever is later.

When EOI was invited during February 2021, the lone bidder, M/s Transrail Lighting Ltd., Nagpur was not qualified because of lack of sufficient experience.

Eoi was invited by the Chief Engineer, TransGrid as per tender read as 3<sup>rd</sup> above, in which two bidders viz. M/s. Transrail Lighting Limited, Nagpur and M/s. Kalpataru Power Transmission Ltd, Noida participated. After detailed Technical and financial evaluation carried out by the TransGrid team, Technical Committee headed by the Chief Engineer (Transmission System Operation) and the Financial Adviser, M/s. Kalpataru Power Transmission Ltd is qualified as an EPC company for installation, erection, testing and commissioning of GIS as well as AIS Substation and M/s. Transrail Lighting Limited is qualified as EPC company for AIS Substations. The BE&GR Committee convened on 14.12.2022 also recommended the proposal for empanelment of M/s. Kalpataru Power Transmission Ltd for execution of GIS & AIS Substations and M/s. Transrail Lighting Limited for execution of AIS Substations.

The Chief Engineer, TransGrid as per note read as 5<sup>th</sup> above requested sanction for empaneling the aforesaid prequalified firms, for the execution of EHT Substation projects under TransGrid 2.0, with validity period of five years or till the completion of TransGrid 2.0 projects from the date of empanelment, whichever is later. The matter was placed before the Full Time Directors as per note read as 6<sup>th</sup> above for decision.

Having considered the matter in detail, the Full Time Directors in the meeting held on 09.01.2023, resolved to accord sanction for the empanelment of the following bidders/ vendors/ suppliers as per the recommendations/ remarks of technical and financial wings, in addition to the already empaneled 10 bidders, with validity for a period of 5 years or upto the completion of TransGrid 2.0 project from the date of empanelment, whichever is later.

- M/s Kalpataru Power Transmission Ltd., B-5, Tower-3, 4<sup>th</sup> Floor, Okay Centre, Sector - 62 Noida, Uttar Pradesh - 201309, as prospective bidder for the construction of both AIS and GIS substation projects under TransGrid.
- M/s. Transrail Lighting Limited, 46, Lambent IT Park, Harihar Nagar, Beltarod Road, Besa, Nagpur - 440034, as prospective bidder for the construction of AIS substation projects under TransGrid.

Orders are issued accordingly.
