The Microwave communication system established as part of ULDC scheme was replaced with Optical fibre link through OPGW from Kalamassery to Thiruvananthapuram. The work was entrusted to M/s PGCIL . M/s Tejas Networks supplied terminal equipments and other related equipments as OEM. The validity of the AMC agreement with M/s PGCIL for maintenance of SDH (Synchronous Digital Hierarchy) and PDH (Plesiochronous Digital Hierarchy) equipments expired on 31.05.2020 and on expiry of the AMC period, M/s PGCIL intimated that further renewal of AMC shall be done by the constituents themselves with the OEM directly.

The Chief Engineer (TSO) as per letter read as 4th above sought sanction for arranging AMC for 19 numbers of SDH equipments and 10 numbers of PDH equipments with the OEM, M/s Tejas Networks, for an amount of Rs. 11 lakhs + 18% GST per annum for 2 years, considering the importance of communication network for the SLDC operations. It is also reported that, after negotiations M/s Tejas Networks (OEM) agreed to reduce the AMC rate to Rs. 11 lakhs + 18% GST

per annum for 2 years but on the following conditions:-
