### ORDER

The Chief Engineer(IT,CR & CAPS) as per the note read above reported that as a part of the implementation of Roof Top Solar project (Soura Phase II Subsidy Scheme) in Kerala, State nodal Officer SOURA has requested the IT wing for providing necessary support for developing a mobile app and portal for implementation & process monitoring of the project through Kerala Startup Mission.

As per the Government Order read as 5<sup>th</sup> above, the Government have sanctioned to permit Government Departments, Public Sector Undertakings, Autonomous bodies, Boards, Corporations, Local Self Government Institutions etc to select Startups registered under Kerala Startup Mission through limited tender for design,development and implementation of their IT projects costing above Rs.20 lakh and below Rs. 100 lakh.

Accordingly the IT wing has forwarded the proposal to Kerala Startup Mission for the development of Smartphone based application and portal for Roof Top Solar project (Soura Phase II Subsidy Scheme). Limited tender was invited by Kerala Start up Mission among the list of Startups registered by the Kerala Startup Mission based on the requirements submitted by KSEBL and shortlisted M/s.Netrox IT Solutions Pvt Ltd for developing the mobile Apps based on technical qualification and financial evaluation.

The 29<sup>th</sup> Technical committee Meeting held on 23.06.2021, chaired by the Principal Secretary, Department of Electronics & IT, Government of Kerala for evaluation of Software Applications for Government Departments observed that the startup was identified through the limited tender process and the Technical Committee recommended that Kerala State Electricity Board Ltd may issue a work order to M/s.Netrox IT Solutions Pvt Ltd towards the development of mobile application and project management portal of SOURA phase II Subsidy scheme for an amount of Rs.3,50,000/-inclusive of all taxes along with an AMC for
