ORDER

KSEBL has accorded sanction as per the BO read as 1st above, for purchasing 4Nos of Tempo Traveler (model: Force 9+D PS 3050 WB flat roof) for the use of four Line Maintenance Section (Punalur, Moolamattom, Cherthala and Paruthippara) and to authorise the Chief Engineer (SCM) to arrange the purchase. Later as per B.O read as 2nd above sanction was accorded for purchasing these vehicles through GeM portal and to authorise the Chief Engineer concerned for arranging the purchase.

As per the notes read as 3rd & 4th above, the Chief Engineer, Transmission South has reported that, the vehicles are not yet purchased by none of the LMS because the required model in the B.O was out of production and not available in the market. It is added that, at present hired vehicle is being used at LMS Moolamattom. The availability of four wheel drive vehicle with taxi permit less than 10 year old are very rare nowadays. So it is difficult to obtain such a vehicle on contract basis at the LMS Moolamattom.

It is further reported that, most of the tower locations under this section are at isolated areas, hilly terrain and in forest land. So vehicle has to travel through dense forest, hilly terrain and kutcha roads for carryout the works under this section. Considering the importance of maintaining uninterrupted power supply the service of a tempo traveler or equivalent vehicle is essential for Line Maintenance Sections. A vehicle with good condition is necessary for carrying men, tools and tackles for attending breakdown and maintenance works.

In view of the above, the Chief Engineer Transmission South has requested sanction for purchasing a new tempo traveler for the use of Line maintenance Section, Moolamattom.

Since the already sanctioned model (Force 9+D PS 3050 WB flat roof having seating capacity 9+1) for the purchase of tempo traveler in the B.O read as 1st above is out of production. The proposed model (TATA Winger FL 3200FR 13S AC BSVI having seating capacity 12+1) is available for purchase through GeM portal . The financial commitment due to this purchase is Rs. 12,17,995/- and cost on account of this purchase can be met from the financial year 2021-22.

The matter was placed before the Full Time Directors as per Note read as 5th above. Having considered the matter in detail, the Full Time Directors in the meeting held on 04.08.2021.

Resolved to accord sanction to purchase 1No Tempo Traveller (model: TATA Winger FL 3200FR 13S AC BSVI) for the use of Line Maintenance Section Moolamattom through GeM Portal. The approximate financial commitment is Rs.12,17,995/-.

Further resolved to authorize the Deputy Chief Engineer, Transmission Circle, Thodupuzha to arrange the purchase, after observing all formalities.

Orders are issued accordingly.

By Order of the Full Time Directors,
