## ORDER

In the core-committee meeting held on 31.05.2021, the Deputy Chief Engineer (Grid) with additional charge of Chief Engineer (Trans-System Operation) intimated that the opening reservoir levels are remaining high and on analysis of the LGB report, surplus is observed almost round the clock during the monsoon period and hence possibility of arranging additional sale needs to be explored. KSEB Ltd as per order read as 1<sup>st</sup> above had registered as Bidder in the DEEP portal introduced by Ministry of Power for exploring the opportunities for selling the surplus power available with KSEB Ltd during different time period. Hence it was decided in the meeting to closely monitor for availability of any purchase tenders in the Deep portal platform for enabling the KSEBL to participate for sale of power to other utilities during the monsoon months and Chief Engineer (Commercial and Tariff) was directed to initiate action on availability of any such tenders in the DEEP portal.

On 14-06-2021 as per the e-tender notice read as 2<sup>nd</sup> above, Haryana Power Purchase Center (HPPC), a joint forum created and owned by Haryana Discoms invited a tender in DEEP Portal for the purchase of 500 MW quantum of power on RTC basis from 01.07.2021 to 30.09.2021. After examining the requisitioned quantum, period, financial requisites for participation, financial obligations to KSEB Ltd and the payment security offered by the procurers, the Chief Engineer (Commercial & Tariff) as per note read as 5<sup>th</sup> above recommended that KSEB Ltd may make use of this opportunity for managing the surplus power by participating in the tender floated by HPPC through DEEP portal and also put forward the Initial Price Offer (IPO) and quantum of power for participation in HPPC tender. The immediate requirements for participation in HPPC tender was payment of e-bidding fee and EMD (bank guarantee) as mentioned below:

Name of Procurer	E bidding fee to PFCCL	EMD amount	Date on which original BG is to be received at Procurer's office
HPPC	5,00,000 /- plus 18% GST	Rs 46,50,000 /-	21.06.2021 at 12:00 hrs.

The Chief Engineer (Commercial & Tariff) also requested to authorise him to participate in the HPPC tender through DEEP portal by agreeing to all terms conditions specified in the RfP floated by HPPC floated on 14-06-2021 as per the guidelines notified by MoP and as proposed in the note read as 5<sup>th</sup> above. It was also pointed out that the Deputy Secretary (Administration) may be authorized to arrange the payment of e bidding fee Rs.5,00,000 /- plus 18% GST to PFCCL and the Financial Advisor may be authorised to arrange Bank Guarantee for Rs.46,50,000/- to HPPC as per the format specified in RfP on or before 21-06-2021.

Having considered the recommendations of the Chief Engineer (Commercial& Tariff), the Full Time Directors in its meeting held on 17-06-2021

1. Resolved to accord sanction to participate in the tender floated by HPPC as proposed in the note read as paper 5 above.
2. Further resolved to authorise the Chief Engineer (Commercial& Tariff) to participate in the HPPC short term tender floated through DEEP portal .
3. Further resolved to authorise the Deputy Secretary (Administration) to arrange the e bidding fee to PFCCL and to direct the Financial Advisor to arrange Bank Guarantee as per the format specified in RfP on or before 21-06-2021.

Orders are issued accordingly.
