- Read: 1. B.O.(FTD) No.373/2021(PC/SCM/PSC Poles/2017-18/North & South Central/ Addl.PO) dated 20.05.2021
2. Note No. PC/SCM/PSC Poles/2017-18/North &South Central/Addl. PO/1945 dated 11.06.2021 of the Chief Engineer (SCM) submitted to Full Time Directors (Agenda 38/6/21)

ORDER

The Full Time Directors in its meeting held on 17.05.2021 resolved to accord sanction to authorize the Chief Engineer (SCM) for placing Additional Purchase Orders for the procurement of additional quantity of 58,000 Nos. of 8m and 15,000 Nos. of 9m PSC poles for 3 months (from 01/06/2021 to 31/08/2021) with all the existing suppliers based on manufacturing capacity / willingness, with extension of the period of supply of respective original purchase orders upto 31/08/2021.

Accordingly Additional Purchase Orders were issued to 7 suppliers who had furnished their willingness to supply the PSC Poles. The above Additional Purchase Orders were issued on condition that the maximum rate against additional quantity including price variation, shall be limited to discovered L1 rate for concerned Electrical Circle of new tender No.KSEB/SCM/eP-46/2020-21 dated 22/10/2020, for which the rate of MSME falls above (L1+15%) rate.

The additional Purchase Orders were issued without giving price escalation for the discovered L1 rate of new tender.

None of the suppliers came forward to execute the Supplementary Agreement for the above Additional Purchase Orders. The suppliers M/s Vellackamattathil Industries,Pandalam, M/s Kothamangalam Aggregates and M/s Goutham Cement Works,Chennai have informed that they are willing to supply PSC Poles at the lesser rates applicable to them as per board order read 1 above, but are unable to accept the Purchase Order without price variation for the discovered L1 rate.

As per clause no. B.42 of Part II of Bid No.KSEB/SCM/eP-46/2020-21 dated 22/10/2020(new tender),prices will be re-fixed every month.

Since price variation is applicable to the rates of new tender, it is also applicable to the discovered L1 rate of the Additional Purchase Orders. Hence it was to be decided as to whether the additional Purchase Orders already issued to be amended accordingly.

The matter was placed before Full Time Directors as per note read as 2nd above. Having considered the matter in detail, the Full Time Directors in its meeting held on 11.06.2021 resolved to authorize Chief Engineer(SCM) to amend the Additional Purchase Orders already issued as per B.O. (FTD) No.373/2021(PC/SCM/PSC Poles/2017-18/North & South Central/ Addl.PO) dated 20.05.2021, by allowing applicable Price Variation, as per the respective tender clauses, considering the lesser rate among the rates from the old Purchase Order and the new tender, when refixed.

Orders are issued accordingly.

By order of the Full Time Directors
