dated: 30-04-2021

- Read:-
1. Letter No.CEG/AEE-V/Vehicles-Moolamattom/2020-21/1945 dated 01-03-2021 of the Chief Engineer (Generation & PED), Moolamattom and the enclosed estimate.
  2. Note No.DGE/G3/Vehicle/21-22 dated 20-04-2021 of the Director (GE & SCM) (Agenda item No.50/04/21)

**ORDER**

The Chief Engineer (Generation & PED) ,as per letter read (1) above has reported that the department vehicle attached to the Water Conducting System Mace. Sub Division, Moolamattom has completed 23 years and has run more than 3 lakh 29 Thousand Kilometers. The Jeep bearing Reg.No. KL- 6A 1559 shows extensive vibration and noise due to wear and tear during running even in normal speed. It is also reported that the seating capacity of the vehicle is not adequate and arranging additional vehicle to transport staffs and officers to the station ,for routine and breakdown maintenance works causes unnecessary delay and financial losses. The frequent maintenance works has to be carried out, for minimal running of the vehicle and the condition of the vehicle is not so good enough to travel and transport to BVC and Vadakkeppuzha pump house which are situated in high range area.

The Water Conducting System Mace. Sub Division, Moolamattom is assigned with mace of Water Conducting System of IHEP such as Electrical installations, mace of spherical valves for Unit#1 to #6 ,cooling water supply system of IHEP,100psi Fire hydrant systems and 100psi Compressed air system. Moreover, the upkeeping and maintenance of,Electrical installations of Vadakkeppuzha pump house, and Butterfly Valve Chamber(BVC) are also entrusted with WCSSD. The BVC consists of electrical and hydraulic systems of 150" Butterfly valve and 40 Ton EOT Crane ,located at Kulamavu ,around 30 km road distance from Moolamattom which demands travel through high range road.

Considering the above, the Chief Engineer(Generation &PED) has requested the procurement of a new vehicle to replace the existing old one, bearing registration No. KL-6A 1559, and forwarded an estimate amounting to Rs.8,67,000/-, for the procurement of a new Bolero vehicle B4 BS6 MODEL, Code BH826F6S7U6WD vehicle, at an all-inclusive estimated cost of Rs.8,67,000/- for the use of Water Conducting System Mace. .Sub Division and requested sanction for the same. The procurement will be based on the latest offer collected from M/s Mahindra& Mahindra which includes transportation, GST+CESS, etc.. The estimate has been prepared by giving provisions for Insurance, Road Tax, Registration, Cess & Basic accessories, Fast Tag, Transportation charges etc. .

The matter was placed before the Full Time Directors as per note read (2) above. Having considered the matter in detail, the Full Time Directors meeting held on 23-04-2021, resolved to accord sanction to the Chief Engineer(Generation & PED),for the procurement of new Bolero B4 BS6 MODEL, Code BH826F6S7U6WD vehicle, through GeM portal, for the official use of Water Conducting System Mace. Sub Division, IHEP, Moolamattom.

Further resolved to transfer the vehicle having registration No. KL-6A 1559 , being used by the Sub Division,,to a suitable office where short trips are necessary.

Orders are issued accordingly.

By Order of the Full Time Directors,
