ORDER

The Chief Engineer(IT, CR & CAPs) as per note read as 5th above has reported that as part of implementation of IT projects under Part-A of RAPDRP and Non-RAPDRP, M/s.Airtel was selected as the Primary Bandwidth Service Provider for establishing connectivity across various offices (Electrical Sections, Electrical Divisions and Electrical Circles) of KSEBL. Since a large number of Electrical Section Offices are functioning in rented buildings, shifting of these offices happen occasionally. Hence the bandwidth service provider is directed to shift their MPLS/VPN link to the new office premises.

It is also reported that about 24 number of Airtel links are pending to be shifted to the new location. According to the request of KSEBL M/s Airtel has evaluated the feasibility of various locations and has intimated that RF links are feasible at all locations and quoted an amount of Rs.14,00,000/+GST- for 50 number of sites(24 links+26 anticipated links). M/s.Airtel has offered a rockbottom amount of Rs. 12,00,000/- +GST for 50 number of sites where RF link is to be provided (24 pending links+ 26 anticipated shifting cases arising upto the agreement period to avoid delay). 50 percentage of payment may be released after successful completion of shifting of 24 number of links. The rest of the payment may be released on completion of shifting of 26 anticipated links. An average of Rs.24,000/- is required for shifting of one location.

As the shifting of offices is a continuing occurrence and connectivity based on MPLS/VPN is essential for the smooth functioning of the Electrical Section Offices, the Chief Engineer(IT,CR & CAPs) recommended to accord sanction for shifting of 50 number of Airtel MPLS/VPN links (24 link + 26 anticipated links) with RF link for an amount of Rs.12,00,000/- +GST.(Rupees Twelve lakhs +GST only) at an average cost of Rs. 24,000/-(Rupees twenty four thousand only) per link.

The matter was placed before the Full Time Directors as per note read 5 above. Having considered the matter in detail, the Full Time Directors in its meeting held on 18.03.2021, resolved to accord sanction for shifting of 50 number of Airtel MPLS/VPN links (24 link + 26 anticipated links) with RF link for an amount of Rs.12,00,000/- +GST.(Rupees Twelve lakhs +GST only) at an average cost of Rs. 24,000/-(Rupees twenty four thousand only) per link.

Orders are issued accordingly.
