Hot dip galvanization of 6500MT "A" Poles of various lengths fabricated at the Mechanical Facilities of KSEB Ltd. for the year 2020-21 - re-e-tender to be invited – Revising PAC and tender conditions - Sanctioned - Orders issued

CORPORATE OFFICE (SBU-G/C)

B.O(FTD) No 47 /2021 (DGC/AEE VI/Galv /2014) Thiruvananthapuram, Dated 21.01.2021

- Read :1. B.O.(DB)No.15/2021(DGC/AEEVI/Galv/2014) Thiruvananthapuram, dated 13.01.2021
2. G.O.(P)No.7/2021/FIN dated Thiruvananthapuram 07.01.2021
3.Note No.CECCS/Pallom/Galv-A Pole/2020-21/1422 dated 16.01.2021 of Chief Engineer (Civil Construction) South
4. Note No.DGC/AEEVI/Galv / 2014 dated 19.01.2021 of the Director (Generation-Civil) (Agenda 60 /1 /21)

ORDER

E-tender was invited for Hot dip galvanization of 6500 MT of 'A' poles, of various lengths fabricated at the Mechanical Facilities of KSEB Ltd. for the year 2020-21 vide e-Tender No. CECCS/02/2020-21 dated 21.07.2020 by the Chief Engineer (Civil Construction) South. Three bidders submitted their offer and two of them pre-qualified for the subject work. The lowest quoted amount was 58.78 % above estimated PAC. On finding the quoted price as very high while comparing with the estimated PAC, the Board as per order read as 1st above decided to retender the work .

The Chief Engineer (Civil –Construction) South as per note read as 3rd above has requested sanction to modify the **Qualification Criteria for Technical Capability** to increase participation of bidders. It is also reported that the estimate of the subject work is revised as per the current market rate of Zinc. The transportation cost of materials is arrived as per DSR 2016 considering an average distance of 300Km.

As per G.O. read as 2nd above, Government have revised the rates of Performance Security Deposit and Bid Security for the execution of public works in the State as relaxations on account of COVID-19 pandemic.

The Chief Engineer requested sanction to invite retender for the subject work with revised PAC incorporating the revised tender conditions for qualification criteria for technical capability and the relaxed conditions as per the G.O

The matter was placed as per the note read as 4th above among the Full Time Directors on 20.01.2021. Having considered the matter, the Full Time Directors of KSEBL **Resolved** to accord sanction to

1. invite retender for the "Hot dip galvanization of 6500MT "A" Poles of various lengths fabricated at the Mechanical Facilities of KSEB Ltd. for the year 2020-21" with revised PAC incorporating the revised tender conditions for qualification criteria for technical capability

Sl. No.	Existing Condition	Revised condition
1	<p>Qualification Criteria for Technical Capability</p> <p>The bidder should have their own Hot dip galvanizing units and previous experience in hot dip galvanizing work having length of bath sufficient to dip materials of minimum length of 8m in single dip (automatic bath) and minimum capacity to galvanize 1000 MT/Month and having certificate from Industrial Department of State/Central Government or other Government Institutions for hot dip galvanizing works within last two years.</p>	<p>The bidder should have their own/ leased Hot dip galvanizing units and previous experience in hot dip galvanizing work having length of bath sufficient to dip materials of minimum length of 8m in single dip (automatic bath) and minimum capacity to galvanize 1000 MT/Month and having Valid certificate from Industrial Department of State/Central Government or other Government Institutions for hot dip galvanizing works within last two years.</p>

Further resolved to incorporate the relaxed conditions vide G.O.(P)No.7/2021/FIN dated Thiruvananthapuram 07.01.2021 in the tender condition

Further resolved to place the matter before the Board of Directors of KSEBL for ratification.

The Chief Engineer (Civil- Construction) South shall take further action in this regard.

Orders are issued accordingly.

By Order of the Full Time Directors
