## ORDER

KSEBL as per Order read as 1st above had sanctioned two posts of Assistant Engineers (Electrical) and one post of Sub Engineer (Electrical) in the Consultancy Wing, KSEBL. As such the posting of two handpicked Assistant Engineers has been sanctioned as per B.O.(FTD) No.467/2019 (DGC/AEE IV/GNL/2014) dated 19-06-2019 and posting effected vide Order No Eb1 (a) AE(Ele.)/General Transfer 2019/Grievance dated 29-06-2019 of the Chief Engineer (HRM).

KSEBL is mandated by KIIFB as its SPV for ten projects for the Health Department of Government of Kerala, of which the work has commenced at four Hospital projects namely Construction of Speciality Hospital at Mattannur, Development of Taluk Hospitals at Kundara, Kottarakkara and Karunagappally.

The Director (Gen-Civil) as per note read as 3<sup>rd</sup> above reported that the total cost under the head MEP (Mechanical, Electrical & Plumbing) for the above four projects amounts to Rs.71 Crores approximately. Considering the value of MEP works, the service of an Assistant Executive Engineer(Ele.) is very essential for the co-ordination and check measurement of the work. Besides it is also reported that, since the work has already

commenced in all the four sites ie, Mattannur, Karunagappally, Kundara & Kottarakkara, the service of a Sub Engineer (Ele.) is also essential in the Consultancy Wing.

In the above context, it was also reported as per note read as 3<sup>rd</sup> above that Empowered Committee on Consultancy(ECC) in its eleventh meeting has noted that further to the above vide order No. EB1/AE-AEE(Ele.)/Temporary Promotion/Inclusion/2020-21 dated 12.08.2020, Sri. Ajayakumar V.P., AE (Ele), Consultancy Wing was promoted as AEE (Ele.) and posted initially at Generation Division, Moozhiyar and subsequently posted now at Electrical Circle, Alappuzha. Further it was also reported that he has been dealing with the MEP design & Drawings of the KIIFB projects and has been supporting the Consultancy Wing for preparing answers to the comments of KIIFB, Technical Committee etc., even after his promotion and transfer.

The Eleventh meeting of the ECC discussed the matter in detail and decided to recommend to KSEBL as per (2) above, the following:

1. Sanctioning one post of Assistant Exe. Engineer(Ele.) in Consultancy Wing by suitable deployment.
2. Filling urgently the post of Sub Engineer(Ele.) sanctioned as per B.O. read as 1<sup>st</sup> above.

The ECC has also recommended handpicked employees for posting to the above posts.

The matter was placed before the Full Time Directors for a decision.

Having considered the above, the Full Time Directors in their meeting held on 02.12.2020 resolved to accord sanction for the following :

1. To post an Assistant Executive Engineer (Ele.) in Consultancy Wing by shifting a suitable post. The Director (Distribution, IT & HRM) shall find out a suitable post of AEE to be shifted to the Consultancy Wing.
