ORDER

The Deputy Chief Engineer, Electrical Circle, Thiruvananthapuram had invited tender cum auction for the disposal of 17 numbers of Teak Wood poles lying at various Electrical Sections under the Circle, at an assessed value of Rs.10,200/- (17 nos. x Rs.600/- per pole). As no bidders had participated, re-tendering was done as per tender read as 2nd above and only one bidder Sri. Muraleedharan P, Murali Bhavan, Kandalmoola, Kavalakulam, Neyyattinkara has participated. The rate quoted is Rs.650/- per pole and the total amount comes to Rs.13,279.89 including 18% GST, 1% IT & 1% Flood Cess. The quoted rate is 8.33% above the assessed value of Rs.600/- per pole. The Deputy Chief Engineer has remarked that the rate quoted by the bidder is reasonable as the chances of obtaining a better offer on further tendering is remote in the present market scenario. Also, there are chances of the poles getting decayed and the price getting reduced, in case of delay in disposal and requested for sanction for placing sale order to Sri. Muraleedharan P. Considering the remarks of the Deputy Chief Engineer and the recommendation of the Chief Engineer, Distribution(South), the matter was placed before the Full Time Directors as per the note read as 4th above.

Having examined the matter in detail, the Full Time Directors in the meeting held on 02.12.2020, resolved to accord sanction to the Deputy Chief Engineer, Electrical Circle, Thiruvananthapuram to place sale order for the disposal of 17 Nos. of unserviceable teak wood poles available under Electrical Circle, Thiruvananthapuram tendered vide Re-tender cum Auction No. DCE 20/2020-21, dated 29.09.2020, to the single bidder, Sri. Muraleedharan P, at his quoted rate of Rs.650/Pole (excluding all taxes and levies), which is 8.33% above the assessed value of Rs.600/pole.

Orders are issued accordingly.
