2. Note No. D (T&SO)/T5/20-21/ Trans. Core Committee - Re constitution/200 dated: 11.08.2020 of the Director (T&SO) (Agenda 42/8/20)

ORDER

KSEBL had constituted a Committee - the Transmission Core Committee as per B.O read above for assisting the Board in formulating policies on transmission planning and preparation of execution plans. The committee was also intended to give necessary advice to the Board on various technical matters concerning the transmission sector. It is observed that the functioning of the committee was very effective in providing necessary inputs for developing the transmission system in the State. As such, there are demands from many corners for further strengthening of the committee.

In this regard, the Director (Transmission & System Operation) as per the note read above has pointed out that many members of the committee have been transferred to other functional units of the Board and a few have retired from service also. Considering the necessity to revamp the committee by inducting new members, it is suggested to re constitute the committee with the induction of new members.

Having considered the matter in detail, the Full Time Directors in its meeting held on 12.8.2020,

Resolved to re constitute the Transmission Core Committee as follows;

1. Dr. Rajan P, Director (Transmission & System Operation) - Chairman
2. Sri. Pradeep K.P, Chief Engineer, Transmission (System Operation), Kalamassery
