### Corporate Office (SBU-T)

B.O. (FTD) No. 474 /2020/D (T&SO)/T5/2019-20/T&P dated; Tvpm. 14.07.2020

---

- Read: 1. Office Order No. D(T&SO) No.655/2018/PSE/Transgrid/GL/2018-19/Tvpm. dated: 25.10.2018
2. Note No. EB1/CE/TG/2019-20/533 dated: 24.8.2019 of the Chief Engineer, Transgrid, Shoranur.
3. Note No. D(T&SO)/T5/ 2019-20/T&P/193 dated: 2.07.2020 of the Director (Transmission and System Operation) (Agenda item: 19/7/20)

### ORDER

The implementation of the Transgrid 2.0 project, one of the flagship projects of the Government of Kerala is progressing fast. Many of the works included in phase 1 of the project have been completed and the rest of the works are under different stages of execution. The importance of the project is evident from the fact that the Chief Minister himself is closely monitoring the progress of execution. Also, the board has constituted a high power committee to ensure timely execution of the projects.

Considering the importance of the project as mentioned above, KSEBL as per order read above had accorded sanction to create, through deployment, one post of Executive Engineer (Ele.) in the office of the Chief Engineer, Transgrid. However, there was no mention in the B.O about the place to be deployed and hence the posting could not be effected to the newly created post.

Now, the Chief Engineer, Transgrid has reported that his office is heavily loaded with the preparation of DPRs, bid documents, tendering, bid evaluation, award of contract, agreement execution and bill processing & associated activities in connection with the execution of various Transgrid projects. It is further reported as per note read '2' above that the services of one Executive Engineer is very much essential in the Chief Engineer's office. In this connection, the Chief Engineer, Transgrid has requested to deploy the post of Executive Engineer, O/o the Deputy Chief Engineer, Transgrid - North to the Chief Engineer's office.

In view of the request of the Chief Engineer and also considering the importance of the project in ensuring the energy security of the State, the Director (Transmission and System Operation) recommended to deploy the post of Executive Engineer, O/o the Deputy

present incumbent.

The matter was placed before the Full Time Directors as per note read 3<sup>rd</sup> above for decision. The Full Time Directors in its meeting held on 8.07.2020 examined the matter in detail and

Resolved to accord sanction to deploy the post of Executive Engineer (Ele.), O/o the Deputy Chief Engineer, Transgrid - North to the O/o the Chief Engineer, Transgrid, Shoranur along with the present incumbent.

Orders are issued accordingly.

By Order of the Full Time Directors,

Sd/-  
Lekha G
