## ORDER

The Deputy Chief Engineer, Electrical Circle, Perumbavoor, as per letter read as 1<sup>st</sup> above, has reported that for effecting service connection to Smt. The proposed line is along the Kamratha-Koozhoor Kavu road and then passing through a pocket road having 3 meters width. So consent is essential from various property owners. Also, 2 or 3 house constructions are in progress in this area under the Life Mission Scheme.

As the length of the proposed line exceeds the sanctioned limit for BPL category, as per Board Order read as 2<sup>nd</sup> above, the Deputy Chief Engineer has requested direction/sanction for effecting service connection.

The matter was placed before the Full Time Directors as per note read as 3<sup>rd</sup> above.
