The work includes pole erection work for LT ABC, drawing LT ABC on turnkey basis, providing ring main and replacing existing old Vacuum Circuit Breakers with Ring Main Units on turnkey basis and laying 11 kV UG cable.

The pole erection work was tendered by the Assistant Engineer, Electrical Section, Kazhakkootam and the remaining three works were tendered by the Executive Engineer, Electrical Division, Kazhakkootam as per the direction issued by the Deputy Chief Engineer, Electrical Circle, Thiruvananthapuram.

The PAC amount for RMU erection and interconnection of RMU work including RMU is ₹95,85,500/-. Three firms participated in the e-tender and M/s. Linsta Services quoted the lowest rates.
