ABSTRACT

Entrusting Subdivision AEE's for tendering and award of all PMSU works and entrusting PMU team for monitoring and review of all Dyuthi works including that done by PMSU- Sanctioned - Orders issued.

CORPORATE OFFICE (SBU-D)

B.O (FTD) No.278/2021 (D (D&IT)/D6-AE1/Dyuthi /2020-21) dated 30.04.2021 Thiruvananthapuram

Read: 1. BO (FTD) No.3029/2017(D (D&IT)/Plan-Process/2017-18) dated 04.12.17.

2. Note dated 20.01.2021 of Dyuthi Project Monitoring Division(DPMD), Ernakulam.

3. Note No.D(D&IT)/D6-AE1/Dyuthi /2020-21) dated 21.04.2021 of the Director (Distribution, IT&HRM) to the Full Time Directors (Agenda 65/4/21)

ORDER

With a grand vision to uplift the distribution system of the State to the best in the nation and also to achieve international standards in the distribution services by the year 2022, KSEBL had decided to implement a comprehensive network-based distribution plan 'Dyuthi 2021', as part of the Urja Kerala Mission. The main focus of the Dyuthi works were on the Distribution network strengthening with the aim to supply 24 x 7 quality power to all, minimize Technical & Commercial Loss and ensure safety of installation.

The project envisaged works worth Rs.4036.3 crore in the Distribution Sector during the four year period from 2018 to 2022. The Dyuthi works are being carried out by the Project Management Unit (PMU) / Project Management Sub Unit (PMSU) based on the type of the work.

There has been a slippage in the set schedule owing to several factors such as the obligation of completing centrally aided projects like IPDS, RAPDRP and DDUGJY, the devastating floods in 2018 and 2019 etc, which was followed by the nationwide lock down to curb the spread of pandemic COVID-19.

Dyuthi Project Monitoring Division (DPMD), Ernakulum as per note read as 2nd above, has submitted some suggestions for the effective implementation and timely completion of the DYUTHI project.

The Director (Distribution, IT &HRM) as per note read as 3rd above, has recommended that the Subdivision office shall be entrusted with the tendering and awarding of all PMSU works since the Subdivision AEE (head of the PMSU) is primarily responsible for the Low Tension network planning and execution. It is also recommended that the PMU office shall be entrusted to monitor the scheduling and progress of all Dyuthi works including the PMSU works under their jurisdiction.

The matter was placed before the Full Time Directors for a decision.

Having considered the matter in detail, the Full Time Directors of the Board in its meeting held on 23.04.2021, resolved to entrust the Sub Division Assistant Executive Engineer (head of the PMSU) who is primarily responsible for the Low Tension network planning and execution, with the tendering and awarding of all capital works including PMSU works within the delegation of powers of Assistant Engineers.

Further resolved to entrust Executive Engineer, Project Management Unit (PMU) to monitor scheduling and progress of all Dyuthi works including the PMSU works under their jurisdiction.

Orders are issued accordingly.

By Order of the Full Time Directors
Sd/-
Lekha.G
Company Secretary-in charge.

To
