## Abstract

Manufacture and supply of 8m PSC Poles with working load 200kg to various Electrical Circles of KSEBL under Southern, Central, Northern and North Malabar regions for a period of 4 months – shortage of PSC poles – procurement of PSC Poles – Orders issued.

### **Corporate Office (Supply Chain Management)**

B.O.[FTD] No.384/2022 (CE/SCM/XC/AE/PSC Poles/Short tender/2021-22) Dated,  
Thiruvananthapuram 07/05/2022

Read:- Note No.CE/SCM/XC/AE/PSC Poles/Short tender/2021-22/2412 dated 30/04/2022 of the Chief Engineer (SCM) submitted to the Full Time Directors (Agenda Item No.118/4/22).

## ORDER

Anticipating the forthcoming monsoon and the demand on electric connections for various domestic and industrial needs, it is highly imperative to induce more 8m/200kg PSC poles in a time span of 2 to 3 months, until PSC poles under new tender are made available. Since the suppliers in all the four Regions have declined to supply 39,167Nos of poles in the Regions, an alarming situation has emerged to meet the urgent demand of 8m/200 kg PSC poles in all the four Regions.

Hence in order to attend to the anticipated sudden requirements that may arise due to the onset of monsoon and also to tide over an apparent crisis in the event of such an emergency situation, it is recommended to permit the concerned Deputy Chief Engineer's and Executive Engineer's team to procure 8m/200 kg PSC poles with allowable limits up to a maximum of 10% above the SCM rates applicable in the respective Regions without price variation. This is applicable till the Purchase Order for new tender is issued.

In order to procure 39,167Nos of 8m/200Kg PSC poles, the present delegation of Deputy Chief Engineer and Executive Engineer are insufficient and to be enhanced exclusively for this purpose as per their field requirement till the purchase orders for the latest tender come into effect. Hence it is recommended to enhance the delegated purchasing capacity to 20lakhs exclusively for all the South, Central, North and North Malabar Region Deputy Chief Engineers / Executive Engineers for the sole purpose of purchasing 8m/200kg PSC poles 6667, 7500, 15625 & 9,375 Nos respectively from the total share of 39,167 Nos. PSC Poles.

The matter was placed before the Full Time Directors as per note read above.

Having considered the matter in detail, the Full Time Directors in its meeting held on 30/04/2022, resolved to accord sanction for the following.

- 1) To authorize the Deputy Chief Engineers and Executive Engineers in all the four Regions to procure their respective share from the total of 39,167Nos. of 8m/200 kg PSC poles with allowable limits up to a maximum of 10% above the SCM rates fixed for these Regions without price variation till the Purchase Orders for the new tender come into effect.
- 2) To enhance the delegation of field officers (Deputy Chief Engineers / Executive Engineers) in all the four Regions from the present limit to Rs.20 Lakhs on short tender/ Quotations/ waiver of tender calls exclusively and for the sole purpose of purchasing their respective share from the total of 39,167 Nos. viz., South -6,667, Central-7,500, North-15,625 & and North Malabar Region-9,375 of 8m/200 kg PSC poles to meet their emergency requirements only till the issuance of new Purchase Orders as per the latest tender come into effect.

Orders are issued accordingly.
