### CORRIGENDUM

**Name of the work:** Replacing of existing 66kV towers to 110kV towers in 6CHVI 1 & 2  
(Chalakudy Viyyur) 66kV feeders.

**E-Tender No.** 05/2024-25/EE/TD/CKDY dtd 03.09.2024

**Tender ID:** 2024\_KSEB\_688985\_1

The following corrections have been incorporated into the description of data for item No. 12 in BOQ of the referred tender:

#### Existing Description

Boring, with hydraulic piling rigs with power unit providing and installing cast-in-situ single under reamed piles of specified diameter and length below the pile cap in M-25 cement concrete to carry a safe working load not less than specified excluding the cost of steel reinforcement, but including the cost of boring with bentonite solution and the length of the pile to embedded in the pile cap etc (length of pile for payment shall be measured up to bottom of pile cap). **450 mm dia piles.**

#### Corrected description

Boring, with hydraulic piling rigs with power unit providing and installing cast-in-situ single under reamed piles of specified diameter and length below the pile cap in M-25 cement concrete to carry a safe working load not less than specified excluding the cost of steel reinforcement, but including the cost of boring with bentonite solution and the length of the pile to embedded in the pile cap etc (length of pile for payment shall be measured up to bottom of pile cap). **1000 mm dia piles.**

Yours faithfully

Executive Engineer
